Overview

Q-Connect Card Reader Cleaning Card (White) Pack of 20 Cards

Ideal for retail, hospitality, restaurants and more, this Q-Connect Card Reader Cleaning Card is designed for simple cleaning of swipe and chip and pin card reading machines.

Each card is pre-saturated in IPA alcohol and comes in a sealed sachet for hygienic use.

The cleaner works to remove grease, ink, oxides and other contaminants.

Great for high traffic environments to improve hygiene standards, the cleaner also helps to minimise card misreads and errors and maximise operation.

This pack contains 20 cleaning cards.
