Overview

Brother PT-D450VP Labelling Machine

Brother PT-D450VP Professional Desktop Label Printer Black (Pack of 1) PTD450VPZU1.

The Brother PT-D450VP is a feature-packed label printer from the P-touch range with standalone label printing ability and PC connectivity.

Design and print labels with a choice of fonts, symbols and barcodes using the QWERTY keyboard, one-touch function keys and backlit display without a PC.

Or plug it in via USB to print labels from your PC using the included PT-Editor software.

It uses TZ tape up to 18mm wide for long-lasting labels that are heat, light and water resistant.

Portable standalone label printer with PC connectivity.

Design labels using the backlit 320x120 dot display or your PC.

Uses P-touch TZ tape (up to 18mm wide) for heat, light, water and chemical resistant labels.

QWERTY keyboard and one-touch function keys for easy text input and formatting.

Prints up to 20mm per second.

Powered by 6x AA batteries (not included) or AC adapter (supplied).

Box includes USB cable and 18mm black-on-white tape cassette.
