

HP (800GB) Ultrium Data Cartridge Rewritable HPC7973A

HPC7973A
C7973A

Capacity Compressed : 800GB
Capacity Uncompressed : 400GB
Cartridge Type : LTO
Dimensions : 11.3cm (W) x 2.79cm (D) x 11.1cm (H) -
Weight 0.27kg
Distributor Numbers : Vow Code: HPC7973A
EC Commodity Code : 85232915
Form Factor : LTO Tape
Industry Standard Product Classification : 41110
Model Name : LTO-3
Product Family : LTO Ultrium
Product Type : Data Cartridge

Pack Quantity 1
Price : £26.41

Overview

HP (800GB) Ultrium Data Cartridge Rewritable

HP Ultrium data cartridges are designed to take full advantage of Ultrium technology and contain features that are exclusive to HP.

HP Ultrium data cartridges feature active internal head cleaning, self-diagnostic capacities, cartridge memory and are designed for long life and superior reliability.

- Third generation HP Ultrium 800GB RW Data Cartridge offers the highest capacity and best cost per GB of any tape technology available, re-enforced by the HP Brand specification the industry's most demanding media quality standard
- Highest capacity and performance of any tape technology - 800 GB capacity and 160 MB/sec transfer rate
- This increases the number of recording tracks from 512 for Ultrium 2, to 706 for third generation HP Increased margin between Early Warning End of Media (EWEOM) and End of Media (EOM), which means data on a full tape will fit on to the destination tape when copying tapes
- Smoother base film and smaller magnetic particles increase bit density, allowing more data in the same amount of tape
