Overview

Freecom Tough Drv 500Gb Usb Ext Hdd Blk FRC56058

In today's world mobility has become a key factor.

People who are on the road carry their whole office with them.

Notebook, mobile phone, PDA, external hard drive.

Imagine what can happen when you're late for a flight, running to the gate, and your external hard drive accidentally falls from your notebook case or out of your jacket pocket onto the floor.

it breaks.

Hundreds of hours of work, gigabytes of spreadsheets, documents, photo's, all gone.

Not anymore! Freecom introduces the ToughDrive.

The ideal external storage solution for people on the move.

Fitted with an internal anti-shock frame and a unique soft silicon cover, it can withstand bumps and drops so your drive is still fully functional after it has dropped.

The ToughDrive ensures you can still access your valuable files.
