Overview

SanDisk Ultra (32GB) UHS-1 SDHC Memory Card SND13569

Take better pictures and Full HD videos with your compact to mid-range point and shoot camera or camcorder.

With SanDisk Ultra UHS-I cards you'll benefit from faster downloads and better performance to capture and store up to 64GB of high quality pictures and Full HD video.

Take advantage of ultra-fast read speeds of up to 48MB/s to save time moving photos and videos from the card to your computer.

SanDisk Ultra SDXC and SDHC Memory Cards have Class 10 speed ratings for recording Full HD (1080p) videos.

Enjoy smooth video recording performance whether you're recording a family get-together, sporting event, or school play.

Whether capturing your kid's soccer match or a family celebration, the SanDisk Ultra SDXC and SDHC Memory Cards are great for point-and-shoot cameras and camcorders.

SanDisk Ultra SDXC and SDHC UHS-I Memory Cards come with a data storage capacity of up to 64GB, allowing you to take lots of photos and videos before having to change the card or transfer the files to your computer.

SanDisk Ultra SDXC and SDHC UHS-I Memory Cards are shockproof, temperature-proof, waterproof, X-ray-proof, so you can enjoy your adventures without worrying about the durability of your memory card.
