Industry Standard Product Classification : 41220
Interface(s) : 1 x USB 2.0
Memory Size : 32GB
Operating Systems Supported : Windows XP/Vista/7 •
Mac OS OS X 10.4+
Pack Quantity : Total 1 Piece(s)
Product Family : Secure 360
Product Type : Flash Drive
System Requirements : USB Port (USB 2.0 for hi-speed data transfer)

Pack Quantity 1
Price : £14.29

Overview

Integral Sec360USB 32GB INFD32GB360SECV2

Integral Black Secure 360 Secure Lock II Encrypted USB Drive 32GB INFD32GB360SECV2 (Pack of 1).

Protect your confidential data with the Integral Secure 360 USB Drive.

It comes with Secure Lock II software for PCs and Macs that locks out access to unauthorised users with 256-bit AES encryption.

It's easy to use - just drag and drop your files as normal to encrypt on the fly.

It'll prevent unauthorised access to your files and even wipe the drive after 10 failed access attempts.

The Secure 360 features a 360-degree rotating cap to protect the USB connector, and supports USB 2.0 for Hi-Speed data transfers.

Secure USB flash drive with 256-bit AES encryption.

Secure Lock II software keeps your private data safe.

Software erases drive after 10 failed access attempts.

Plug-and-play encryption for PCs and Macs.

360-degree rotating cap protects connector.

USB 2.0 connection for Hi-Speed data transfer.

Capacity: 32GB.
