Overview

Integral USB Drive 64GB INFD64GBBLK

The Integral Black USB Flash Drive is a simple, no-nonsense value flash drive for file storage and transfer.

With an 8GB capacity, it's ideal for videos, photos, documents and more.

A protective cap keeps the USB connector safe when not in use and can be clipped on the end of the drive when plugged in to your PC or Mac.

USB 2.0 ensures Hi-Speed data transfer.

Value USB flash drive for file storage and transfer.

Protective cap can be stored on end of drive during use.

Compatible with PCs and Macs.

USB 2.0 for Hi-Speed data transfer.
