Overview

Kingston DataTraveler 50 (32GB) USB Flash Drive (Red)

DataTraveler 50 is a lightweight USB Flash drive that's available in capacities from 8GB to 128GB .

The drive's compact, capless design features a metal casing that complements any compatible device and colourful accents that range by drive capacity.

Fast USB 3.1 Gen 1 (USB 3.0) performance ensures data transfer of music, video and more is quick and easy.

Backward compatible with existing USB 2.0 ports for convenience, the drive is also customisable with your logo and/or digital files.

DT 50 is backed by a five-year warranty, free technical support and legendary Kingston reliability.

- Compact, lightweight, capless design
- Metal casing with colourful accent by capacity
- Fast USB 3.1 Gen 1 (USB 3.0) performance
- Customisable with your logo and/or digital files
