Pack Quantity 1
Price : £23.87

Overview

SanDisk Ultra 64GB USB 3.0 Flash Drive

The SanDisk Ultra USB 3.0 Flash Drive combines faster data speeds and generous capacity in a compact, stylish package.

Spend less time waiting and transfer files to the drive up to ten times faster than with a standard USB 2.0 drive. With storage capacities up to 256GB, the drive can accommodate your bulkiest media files and documents.

With transfer speeds of up to 100MB/s the SanDisk Ultra USB 3.0 Flash Drive reduces the time you'll spend waiting for files to move from the flash drive to your computer.

Enabled for USB 3.0, this fast drive lets you transfer and store large files up to ten times faster than USB 2.0 drives. Offered in capacities up to 256GB the SanDisk Ultra USB 3.0 Flash Drive can hold all your favorite media and important documents, including high-resolution photos, MP3s, movies, presentations, and graphic files.

With its sleek black design, the SanDisk Ultra USB 3.0 Flash Drive is as stylish as it is practical.

This compact and portable drive can easily travel with you in a pocket or handbag. The SanDisk Ultra USB 3.0 Flash Drive includes SanDisk SecureAccess software, which lets you set up a password-protected private folder on your drive. Your files will be secured with 128-bit AES encryption to help keep them confidential, even when sharing the drive with others.

- Speedy - Faster file transfer speeds
- Stylish - Attractive slider design houses your data in style
- Secure - Store your private files in a password-protected and encrypted vault on the USB flash drive
- Added Protection - Secure online backup (up to 2 GB1) offered by SanDisk's online backup partner
- Stylish, high-speed USB flash drive for data transfer and backup
- USB 3.0 for transfers up to 4x faster than USB 2.0 (up to 80MB/s)

- Back compatible with USB 2.0 ports
- SanDisk SecureAccess software to protect files with 128-bit AES encryption
- Smart sliding design protects USB connector when not in use
- Capacity: 64GB
