Overview

SanDisk Ultra (128GB) USB Flash Drive for Type C Devices SND14035

SanDisk Ultra USB Type-C Flash Drive lets you free up space on your next generation phone, tablet or computer that features USB Type-C ports¹.

Who doesn't need some extra room? SanDisk Ultra USB Type-C Flash Drive delivers the capacity to transfer video collections, photo albums, music libraries and work or school papers easily.

Just connect and go.

It's like an instant upgrade.

You're always on the move and the SanDisk Ultra USB Type-C Flash Drive is designed to come along for the ride.

We combined a thin, sleek chassis with a retractable head so you can put it on a keychain or backpack.

The USB Type-C connector is completely reversible.

There's no wrong way to plug it in.

No more guesswork.

Featuring USB 3.1 read speeds up to 150MB/s², SanDisk Ultra USB Type-C provides virtually instant access to multimedia files or applications on computers and portable devices.

The USB 3.1 is backward compatible with USB 3.0 and 2.0 Type-C ports.

Download the SanDisk Memory Zone app from the Google Play store and use it to monitor available memory and efficiently manage, organize, and back up files stored on your USB Type-C tablet or smartphone.
