Overview

Transcend JetFlash 890 (64GB) USB 3.0 OTG (On-The-Go) Flash Drive (Silver)

Meeting the new generation of USB Type-C technology, the JetFlash 890 USB 3.1 OTG Flash Drive features a dual connector - a reversible USB Type-C connector and a regular USB 3.1 (Gen 1) connector - that is designed to transfer and back up your photos, music and videos between the latest USB Type-C port equipped devices such as MacBook and your PC, laptops and Mac computers.

Plus, with the free-to-download Transcend Elite App, you can easily explore files on the JetFlash 890 and quickly back up all your precious files stored on your MacBook, smartphone and tablet.

Thanks to the USB OTG (On-The-Go) technology, the JetFlash 890 combines a regular USB 3.1 (Gen 1) connector and a USB Type-C connector into a USB flash drive, providing you greater portability to transfer precious photos, music, videos and any other digital files between tablets, smartphones, Mac computers, PCs and laptops.

It could be a real hassle trying to get the right side connected to the USB port, but this is no longer the case now.

Featuring a reversible design, the JetFlash 890's USB Type-C connector saves not only the efforts to try twice or three times before actually connecting to the USB port, but also your time on data transfer with one-time plug-in.

A USB connection design makes you worry-free from Wi-Fi, Bluetooth and 3G/4G internet connection.

Equipped with SuperSpeed USB 3.1 (Gen 1), the JetFlash 890 performs the incredible transfer speeds of up to 90MB/s, giving you a maximum of 4x faster speed than USB 2.0 interface.

With up to 64GB capacity and the Type-C USB OTG port, you can effortlessly expand the storage capacities of your mobile devices.

'Memory Full' message will not ruin your important moment anymore.

- 64GB Capacity
- Dual USB Access: USB Type-C and USB 3.1 Gen 1 Type A connectors
- Compact and rugged thanks to COB (Chip On Board) manufacturing
- Faster and more reliable than Wi-Fi, Bluetooth, and 3G/4G
- Completely resistant to dust and water
- Lighter & Smaller Metallic Design
- Offers free download of Transcend Elite & RecoveRx
- Limited lifetime warranty
