Overview

Verbatim Dual (64GB) OTG/USB 2.0 Drive (Black)

The Verbatim Dual USB Drive allows you to transfer files to and from a computer or any OTG-compatible device.

Allowing you to transfer content between your smartphone/tablet and/or your PC or Mac without a Wi-Fi connection or using up costly mobile data.

Available in 16GB, 32GB or 64GB of storage capacity, the Verbatim Dual USB Drive enables you to store your valuable content directly onto the device and access it directly using your Smartphone/tablet.

Freeing up valuable memory on your mobile device when you are out and about and unable to transfer directly onto your PC or Mac.

- Transfer files from/back up your smartphone/tablet
- Works without Wi-Fi or mobile data
- Access stored content directly from your smartphone/tablet
- Frees up your smartphone/tablet's memory
- Available in 16GB, 32GB and 64GB capacity
