Overview

3M PF12.5W9 Frameless 16:9 Anti-Glare Black Privacy Screen Filter for 12.5 inch Widescreen Notebooks - 7000015890

3M PF12.5W9 Notebook Privacy Filter fits 12.5 inch widescreen (16:9) notebook screens.

Designed to protect your privacy, these premium filters allow the user in front of the screen to see what is on that screen.

Available in two sizes with flat frame and easy clean coating also features Anti-Static, anti-Glare and anti-Radiation protection.

Great for high traffic areas.

On lookers see a plain, dark screen when viewed from the side; never blurs.

Helps protect LCD screen from damage.

Stays on when notebook is closed.

- Patented 3M Micro-louvre technology makes on-screen data visible only when directly in front of screen
- Feel secure knowing that your confidential data is not being overlooked
- Improves contrast and privacy without blurring or distorting images on the screen
- Guards against scratches and damage to the screen
- Reduces glare to help prevent eye strain and headaches related to monitor use
- Simple 3M Command strip attachment, allows the privacy filter to sit flush within the bezel
- Easily removable to allow for screen sharing when privacy not required
- 16:9 Widescreen
