Overview

Brother DCP-L2540DN (A4) Compact Mono Laser All-in-One Printer (Print/Copy/Scan) 32MB 2x16 LCD 30ppm(Mono) 10,000MDC (Black)

Perfect for Small Offices with varied mono print, copy and scan requirements.

Even with a small footprint the DCP-L2540DN combines high-speed printing of up to 30ppm, with economical automatic double-sided printing.

With great copy and scan capability you can process your documents in whichever format suits you best, and the device's wired network connection means that everyone can share the benefits.

The 1200 page inbox toner, 250 sheet paper tray and 35-sheet automatic document feeder offer greater value and efficiency, and alongside optional high-yield toners this All-in-One provides really competitive print costs.

- Fast Printing
- High-Yield Replacement Cartridges
- High-Quality Output
- Mobile Printing and Scanning

- Money and Paper Saving Features
- Automatic Document Feeder
