Overview

Canon I-SENSYS FAX-L150 Laser Fax Machine

A compact and stylish fax that's easy to use and maintain.

Ensuring productive, reliable performance with a host of professional fax features, it's an ideal solution for small and medium-sized businesses.

Cut your communication costs down to a minimum with this Super G3 fax, which transmits documents in as little as 3 seconds per page.

As faxes can be sent and received in the shortest time possible, the telephone line is freed up.

A 512-page memory safely stores all incoming documents so you can print out faxes later if paper or toner run out.

Lengthy documents can also be scanned into the memory to be sent automatically, cutting transmission time and fax costs.

Dialling couldn't be simpler, even for inexperienced users, with all your regular numbers accessed by 15 one-touch and 100 coded speed dials.
