Overview

Canon i-SENSYS MF237w (A4) Mono Laser Multifunction Printer (Print/Copy/Scan/Fax) 256MB 6/lind B/W LCD Touchscreen 23ppm (Mono) 15,000 (MDC) CO64567

A network mono laser printer built to deliver everything a small office needs: print, copy, scan and fax from PCs, smartphones and tablets.

If you run a small business or work from a home office, you'll appreciate the fast, reliable mono print quality, touchscreen display and print, copy, scan and fax.

Access printer information, change network settings, set up the address book and check toner levels - all from the Remote User Interface (RUI).

The printer's ECO reports make it easy to monitor and track usage, while Auto Off and reduced power consumption modes help keep your carbon footprint to a minimum.

Easily print from smartphones, tablets, laptops and desktop computers with wireless support for Mopria, Apple AirPrint, Google Cloud Print and the Canon PRINT business app.

Quick First-Print means the printer wakes from sleep mode and starts in an instant, while the speedy 23 ppm print performance keeps your office productivity in top gear.

Canon's All-in-One Cartridges deliver superb mono text documents and images.

Experience consistent reliability and quality with just a single cartridge change.

- The speedy 23ppm printing help you work quickly
- With Quick First Print, the printer wakes up from sleep mode and starts printing in an instant
- Copy and save digital versions of paper documents with the built-in high resolution flatbed scanner and ADF
- Turn scanned documents into editable, text-searchable PDFs with the included optical character recognition (OCR) software,
- Print from your mobile devices with built-in support for Mopria, Apple AirPrint and the Canpn PRINT Business App
- Connect the printer to a Google Cloud Print account
- Access printer information, change network settings, set up the address book and check toner levels - all from the Remote User Interface (RUI)
- Cut down on wastage thanks to the ECO reports containing actionable insights on the printer's energy consumption
- Save energy with the Auto Off and reduced power usage in sleep and standby modes
