Overview

Canon i-SENSYS MF231 (A4) Mono Laser Multifunction Printer (Print/Copy/Scan) 128MB 5-line B/W LCD 23ppm (Mono) 15,000 (MDC) CO64582

A compact home office mono laser printer - fast, reliable and easy to use.

23 ppm fast printing, A4 flatbed scanning and copying with an intuitive user interface.

Plus the quality and consistency you'd expect from a laser printer.

An intuitive LCD display, high-quality print, copy and scan features, plus a large 250-sheet capacity ensures productive performance.

The high-resolution scanner makes copies and easily saves paper documents digitally.

Optical character recognition (OCR) software creates editable, text-searchable PDFs.

From reports on the printer's energy consumption to Auto Off and reduced power usage modes, you can save energy, cut wastage and improve sustainability.

Save time, work fast.

With Quick First-Print, the printer wakes from sleep mode and starts printing in an instant, while the speedy 23 ppm keeps you productive.

Intuitive, easy to navigate and always ready to work.

This multifunction is good to go at the press of a button - get started with quick-access one-touch controls.

An easier way to quickly replace toner.

Experience consistent reliability and quality with a single cartridge change - fewer items to order and keep in stock.

- The speedy 23 ppm printing helps you work quickly
- With Quick First-Print, the printer wakes from sleep mode and starts printing in an instant
- Copy and save digital versions of paper documents with the built-in high-resolution flatbed scanner and ADF
- Turn scanned documents into editable, text-searchable PDFs with the included optical character recognition (OCR) software
- Cut down on wastage thanks to the ECO reports containing actionable insights on the printer's energy consumption
- Save energy with the Auto Off and reduced power usage in sleep and standby modes
