Overview

Epson WorkForce Pro WF-5190DW (A4) Wireless Colour Inkjet Printer 5.6cm Mono LCD 34ppm (Mono)
30ppm (Colour) 35,000 (MDC) EP53783

Take advantage of low running costs, low power consumption, fast print speeds and features designed for easy business integration with the new WorkForce Pro WF-5190DW.

This business inkjet printer benefits from automatic double-sided printing, making any job easy and efficient, and PDL emulations, including PCL and Adobe PostScript 3.

And there are fewer parts to replace than a laser.

No ozone gases are emitted and an improved quiet print mode and no fan noise during or after printing makes it ideal for the work environment.

PrecisionCore technology powers the output quality that Epson is known for, at the speeds required for office, commercial and industrial printing.

Prints dry fast thanks to the DURABrite Ultra ink.

Print securely with Email Print for Enterprise.

- High paper capacity means less time is spent refilling

- PDL emulations (PCL and Adobe PostScript 3)
- Epson's most advanced printhead technology
