An ideal solution for busy households, this reliable and easy-to-use model features an enhanced ink filling system and new ink bottles engineered for mess-free refills.

Go longer between refills with EcoTank.

With the ink tank now housed at the front, EcoTank is more compact and easier to use than ever before.

Protecting you against leaks and spills, it features an enhanced ink filling system engineered for mess-free refills.

The new bottles also incorporate a mechanism to ensure that only the correct colours are inserted.

Thanks to the front ink level display, it's now easy to see when it's finally due for a refill.

And with pigment black and dye colour inks, it produces prints with crisp, clear text and vivid colours.
