Not inkjet.

Not laser.

Introducing HP PageWide business printers.

Get the best combination of lowest total cost of ownership, print quality, and speed.

Dynamic security enabled printer.

Only intended to be used with cartridges using an HP original chip.

Cartridges using a non-HP chip may not work, and those that work today may not work in the future.

Print professional-quality colour on a variety of papers - perfect for office use.

Minimise downtime with HP PageWide Technology that delivers reliable performance businesses demand.

Help keep your printer secure - from boot up to shutdown - with secure boot and secure code integrity validation.

Get professional-quality colour documents and the performance you expect with Original HP PageWide cartridges.

- Professional colour, breakthrough total cost
- The fastest printer in its class
