Overview

Brother DCP-9015CDW (A4) Multifunction Colour Laser Printer (Print/Copy/Scan) with Duplex/Wi-Fi 192MB 9.3cm LCD Touchscreen

Offering fast, efficient colour and mono print speeds of up to 18 pages per minute.

Coupled with advanced Scan and Copy capabilities, it's the perfect partner for significantly increasing productivity amongst your office workgroup.

You can reduce your paper usage with automatic 2-sided (duplex) printing.

Ideal for your busy office, offering wired and wireless connectivity straight out of the box.

If your business wants great value and the brilliance of colour, look no further than this innovative all-in-one.

It's part of Brother's exciting new range of next generation colour LED printers, designed for high performance and better value.

Offering you high quality, fast colour printing at 18 pages per minute, it combines colour copy and scan capabilities in one compact machine.

It means that investing in colour is now affordable, with low power consumption and high yield colour cartridges for a low cost per page.

Built for reliability, it won't let you down.

In fact it's been designed to improve productivity, packed full of time-saving features, from 2-sided printing as standard, a 250 sheet lower paper tray, easy to use colour touch screen, the flexibility to print from USB, and web-based applications such as Apple AirPrint and Google Cloud Print, as well as wireless connectivity to

share resources.

There's also a range of scanning features such as push scanning and scan to network so information can be shared across your business quickly.

- Save time with fast 18ppm mono/colour printing
- Print professional colour documents with output of up to 2,400 x 600dpi resolution
- Save paper with automatic 2-Sided printing as standard
- Flexible paper handling with 250 sheet paper capacity, and single sheet bypass tray
- Faster and more secure 802.11n wireless connection
- Connect to your network via the built-in Ethernet
- Effortless mobile connectivity enables printing direct from your Apple iOS, Android, Windows Phone or Blackberry device
- Lower operational costs with optional high yield colour supplies
