Brother HL-L2310D (A4) Mono Laser Printer 32MB 30ppm 2000 (MDC)

Brother HL-L2310D is a simple, compact mono laser printer, designed for busy home and small office use.

This desktop friendly printer, is great choice for small spaces.

One of our fastest and most efficient small office printers.

You'll be delighted with the crisp quality of text, printed in no time at all.

With the large paper input, you don't need to constantly refill the paper tray and can focus on what you need.

Designed to be set-up and ready to use in minutes, the HL-L2310D comes with a host of time-saving features, with print speeds up to 30 pages per minute, ensuring that you are never waiting long for that important document.

With the large 250 sheet paper tray, you no longer need to refill the paper tray as regularly.

Together with a manual feed slot, that can handle a wide variety of paper types, you can have flexibility and laser quality documents - all from one compact machine.

With cost being a key factor whether for home or for business.

We've ensured that the HL-L2310D is cost-effective to run and maintain.

Using our high yield toner cartridges, combined with automatic 2-sided printing can seriously reduce the cost of each print job.

Built to perform for longer.

The Brother mono laser range, has been designed with you in mind.

Made from robust and hard-wearing material, providing the peace of mind that your printer will keep on going.

Being quiet no longer means slow.

All the models within the range, print quietly at less than 50dB.

Making these printers, ideal to sit on your desk, printing quietly at full speed, while you work without interruption.

Brother's mono laser range is compliant with a number of environmental standards including German Blue Angel, Nordic Swan and Energy Star.

As a result, not only does it help your business work more efficiently, it is also more energy efficient, reducing impact on the environment and lowering your costs at the same time.

- Performance designed for offices of tomorrow
- Maximum value for money
- Designed to go the distance
- Quiet without compromise
- Eco-friendly
