Overview

Brother HL-L2370DN Mono Laser Printer

The reliable Brother HL-L2370DN mono laser printer, is fast and compact - ideal for the busy home or small office.

Designed to be desktop friendly, this robust printer, is fast, yet quiet, enabling you to carry on working, while the document is being printed.

This model, also has a larger than average paper input, so that you don't need to worry about refilling the paper tray.

Designed to be set-up and ready to use in minutes, the HL-L2370DN has been built with efficiency in mind.

This fast, network printer, prints up to 34 pages per minute.

Combined with a larger 250 sheet paper input, and automatic 2-sided printing, you can be confident, that you are never waiting long for that important document.

With cost being a key factor for many businesses, we've ensured that the HL-L2370DN is cost-effective.

Using our high yield toner cartridges, combined with automatic 2-sided printing can seriously, and fast print speeds reduce the cost of each print job.

Built to perform for longer.

The Brother mono laser range, has been designed for you and your business.

Made from robust and hard-wearing material, providing the peace of mind that your printer will keep on going.

Being quiet no longer means slow.

All the models within the range, print quietly at less than 50dB.

Making these printers, ideal to sit on your desk, printing quietly at full speed, while you work without interruption.

Brother's mono laser range is compliant with a number of environmental standards including German Blue Angel, Nordic Swan and Energy Star.

As a result, not only does it help your business work more efficiently, it is also more energy efficient, reducing impact on the environment and lowering your costs at the same time.
