Overview

Brother MFC-L2750DW Mono Laser Printer

The performance leading MFC-L2750DW is ideal for the busy home and small office, requiring multifunction capabilities.

This quiet and compact, desktop printer comes with built-in wireless connectivity for printing from mobile devices.

'Tap and print' from your mobile phone (near-field communications) for added convenience.

Not to mention the time that can be saved using the large Automatic Document Feeder (ADF), and larger than average paper tray.

More pages can be printed with the large inbox toner, ensuring that you're ready to go straight a way.

You can be confident your documents are clear and crisp every time using a Brother genuine toner.

Successor to the BLI Pick Award winning 'MFC-L2740DW'.

The MFC-L2750DW is engineered to increase efficiency, with fast print speeds of up to 34 pages per minute with automatic 2-sided print, and 50 sheet automatic document feeder for automatic 2-sided copy, scan and fax.

Save time by using the print-from and scan-to popular cloud services directly from the 6.8cm touchscreen, including Dropbox, Google Drive, Evernote, OneNote and more.

Enjoy the added benefit of creating custom shortcuts on the touchscreen for your most used features.

Together with built-in NFC, you can now use your mobile phone and 'touch' to print for added ease of use.

The MFC-L2750DW comes with a large up to 1,200 page inbox toner, providing crisp black text every time.

Together with a host of feature rich functionality, ensures that your print outs are professional and cost effective.

Built to perform for longer.

The Brother mono laser range, has been designed for you and your business.

Made from robust and hard-wearing material, providing the peace of mind that your printer will keep on going.

Being quiet no longer means slow.

All the models within the range, print quietly at less than 50dB.

Making these printers, ideal to sit on your desk, printing quietly at full speed, while you work without interruption.

Brother's mono laser range is compliant with a number of environmental standards including German Blue Angel, Nordic Swan and Energy Star.
