### Overview

---

Brother HL-L2375DW Mono Laser Printer

Built with reliability in mind, the HL-L2375DW, is a printer of choice for busy home and small offices.

This affordable, desktop friendly device, comes feature packed with the option of connecting over a home network or wirelessly via your mobile phone, with no need for a laptop.

As one of our fastest, and most efficient mono laser printers, you can benefit from keeping costs low with the large inbox toner, together with the bigger than average paper input, so that you don't need to regularly refill the paper tray.

Designed to be set-up and ready to use in minutes, the network ready, HL-L2370DW comes with a host of time-saving features, including fast print speeds of up to 34 pages per minute, 250 sheet paper input and automatic 2-sided printing, ensuring that you are never waiting long for that important document.

Designed to be set-up and ready to use in minutes.

The HL-L2375DW, has a fast print speed of 34 pages per minute, together with automatic 2-sided print and large 250 paper tray.

Combined with wired and wireless connectivity, you can have more time to focus on what you need to.

Built to perform for longer.

The Brother mono laser range, has been designed for you and your business.

Made from robust and hard-wearing material, providing the peace of mind that your printer will keep on going.

Being quiet no longer means slow.

All the models within the range, print quietly at less than 50dB.

Making these printers, ideal to sit on your desk, printing quietly at full speed, while you work without interruption.

Brother's mono laser range is compliant with a number of environmental standards including German Blue Angel, Nordic Swan and Energy Star.

As a result, not only does it help your business work more efficiently, it is also more energy efficient, reducing impact on the environment and lowering your costs at the same time.

- Fast print speeds of up to 34 pages per minute
- Automatic 2-sided print
