Overview

Brother HL-L2350DW Mono Laser Printer

The desktop friendly Brother HL-L2350DW, compact mono laser printer, is designed for busy home and small offices.

One of our most efficient small office printers.

You can easily print wirelessly from your mobile phone or tablet.

Together with the larger than average paper input, you don't need to constantly refill the paper tray and can focus on what you need.

Designed to be set-up and ready to use in minutes, the HL-L2350DW comes with fast print speeds of up to 30 pages per minute, 250 sheet paper input, and wireless connectivity to print directly from your mobile phone or tablet.

With cost being a key factor for many businesses, we've ensured that the HL-L2350DW is cost-effective.

Using our high yield toner cartridges, combined with automatic 2-sided printing can seriously reduce the cost of each print job.

Built to perform for longer.

The Brother mono laser range, has been designed for you and your business.

Made from robust and hard-wearing material, providing the peace of mind that your printer will keep on going.

Being quiet no longer means slow.

All the models within the range, print quietly at less than 50dB.

Making these printers, ideal to sit on your desk, printing quietly at full speed, while you work without interruption.

Brother's mono laser range is compliant with a number of environmental standards including German Blue

Angel, Nordic Swan and Energy Star.

As a result, not only does it help your business work more efficiently, it is also more energy efficient, reducing impact on the environment and lowering your costs at the same time.

- Print speeds of up to 30 pages per minute
