Overview

Brother HL-L5000D (A4) Mono Laser Printer 128MB 42ppm 50,000 (MDC)

The Brother HL-L5000D monochrome laser printer is ideal for small offices that need a printer with a Parallel interface for wide application compatibility.

It features reliable, fast printing up to 42ppm and cost-efficient output thanks to a high-yield replacement toner cartridge.

Plus, automatic two-sided printing helps save paper.

Built-in parallel and USB interfaces provide flexible local connectivity and PCL6 and BR-Script3[™] emulations enable comprehensive application compatibility.

Use the 250-sheet capacity paper tray for letter or legal-size documents, and print on envelopes and alternative media types from the 50-sheet capacity multi-purpose tray.

For fewer refills, you can expand the paper capacity to 1,340 sheets with optional add-on trays.

- Fast, high-quality printing. With a print speed of up to 42 pages per minute, this printer is ideal for busy offices. Plus, it offers up to 1200 x 1200 dpi resolution for crisp, clear text and excellent graphics
- Cost-efficient output. Help lower your operating costs via a high-yield 8,000-page[†] replacement toner cartridge
- Flexible paper handling. Easily handle your large print jobs via an adjustable 250-sheet capacity paper tray and 50-sheet capacity multi-purpose tray. For additional capacity, add up to two 520-sheet capacity or two 250-sheet capacity paper trays for a total input capacity 1,340 sheets
