### Overview

Canon i-SENSYS LBP352x Mono Laser Printer 1GB 5-line LCD 62ppm (Mono) 280,000 (MDC) CO64309

A fast black-and-white laser printer in a compact form factor with flexible media handling capabilities, making it ideal for demanding environments that need versatility and speed.

With black-and-white printing at 62ppm and a choice of flexible configurations, the LBP352x is ideal for busy working environments that demand a reliable and versatile printer.

A choice of up to four paper cassettes, plus an optional high-capacity paper deck, makes it an easily configurable and highly productive printer.

To be productive, you need a high-capacity printer, so that's why the LBP352x has a large 600-page capacity as standard, expandable to 3,600 pages.

A compact and capable office companion, this larger capacity still comes in a small package.

There is also a high yield toner cartridge that allows you to print more pages before replacement, making you even more productive.

Whatever the printing task, the LBP352x is built for versatility.

From A5 to A4 double-sided documents, it's ready to deliver in seconds.

Thanks to the LBP352x's support for Apple AirPrint (iOS) and Mopria (Android), you can print easily from any compatible device.

You can also benefit from more advanced features with the Canon PRINT Business app.

For those using Google in the workplace, the LBP352x comes Google Cloud print-ready for seamless integration.

The LBP352x is a superbly versatile addition to your printer fleet.

Support for PCL5e/6 and Adobe PostScript printer languages enable hassle-free integration into managed network environments.

The LBP352x is equally well-suited to managed print service environments and is compatible with Canon's e-Maintenance remote service management system. The LBP352x can also be integrated into Canon's uniFLOW output management platform, bringing you the efficiency and security of My Print Anywhere plus the added benefits of accounting and cost recovery.

- Rapid printing : 62ppm (A4), 75ppm (A5, Landscape)
- Highly productive with an expandable paper capacity up to 3,600 pages and a range of optional cassette configurations
- Suitable for all environments thanks to its small footprint
- Print from smartphones and tablets with support for mobile printing
- Efficient to run, using high-capacity Canon toner cartridges
- Easily manage as part of your network
- Optional secure printing and storage
- Simple double-sided printing to reduce waste and save costs
