Overview

Canon i-SENSYS LBP712Cx (A4) Colour Laser Printer 1GB 5-line LCD 38ppm (Mono) 38ppm (Colour) 80,000 (MDC) CO64313

With full colour printing at 38ppm, the LBP712Cx is ideal for busy working environments that demand a reliable, versatile printer.

The ability to have up to 4 high-capacity paper feeder cassettes makes it perfect for the modern connected workplace.

To be productive, you need a high-capacity printer, so that's why the LBP712Cx has a large 650-page capacity as standard, expandable to 2,300 pages.

A compact and capable office companion, this larger capacity still comes in a small package.

Whatever the printing task, the LBP712Cx is built for versatility.

From A5 to A4 double-sided documents, it's ready to deliver in seconds.

- Superior colour printing at 33ppm (A4) and 55ppm (A5 - Landscape)
- Increased productivity delivered by an expandable paper capacity up to 1,200 pages
- Suitable for a variety of environments due to its small footprint
- Print from smartphones and tablets with support for mobile printing
- Efficient to run, with higher capacity Genuine Canon toner cartridges
- New high performance S Toner for faster, more energy efficient printing
- Auto toner seal removal for easier cartridge installation

- Simple to manage as part of your network
- Optional secure printing and storage
- Easy double-sided printing to reduce costs and waste
