Overview

Burtons Fish N Chips Salt/Vinegar Pk30

Burton's Daily Fish 'n' Chips are back by popular demand.

Originally from the 80's, they're a tasty fish and chip shaped snack with an eye watering flavour hit of salt and vinegar.

Available in packs for on the go and packs for sharing, they're great anywhere.

- Originally a popular snack in the 1980s, production ceased in the early 90s until now!
- It was voted number 1 in The Sun's bring back a retro brand poll
- Burton's Daily Fish 'n' Chips has always been in its distinct newspaper packaging, for that fish and chip shop feel
- They are now made in Llantarnam, Wales, and sold all over the UK
