Form Factor : Tin
Industry Standard Product Classification : 70101
Dimensions : Weight 0.5kg

Pack Quantity 1
Price : £29.87

Overview

Kenco Millicano Wholebean Instant 500g Tin

Life's little niggles are almost impossible to avoid, like card eating cash machines, just missed trains and forgotten keys.

But when your coffee is as good as Kenco Millicano, these things just don't seem quite so bad.

That's because Kenco Millicano is our first wholebean instant - a clever combination of instant coffee and finely milled quality beans.

With its smooth, full-bodied flavour and rich aroma, Kenco Millicano is the closest thing to 'proper' coffee in an instant.
