Overview

Kenco Millicano (95g) Wholebean Instant Dark Roast Coffee in a Tin

They say you can't have it all - that you always have to compromise.

But at Kenco, we believe you can have the best of both worlds.

Real coffee taste in an instant, made with beans from fairer farming projects.

We call it coffee without compromise.

Kenco Millicano Dark Roast is a unique blend with a bold and intense aroma for a rich coffee experience.

It contains finely milled whole beans for the taste and aroma reminiscent of roast and ground coffee.

You can enjoy every cup of Kenco knowing that all our coffee is giving young people in Honduras the chance for a brighter future.

Our Coffee vs Gangs project is helping them find a living in coffee farming instead of gang life.
