Overview

Nescafe Latte Macchiato Sachets P40

With these Nescafe Gold Latte sachets, you can enjoy a rich and frothy café latte without the hassle; just add hot water.

This latte is made from 100% natural coffee with no hydrogenated oils or artificial flavours, and it is now made with 40% less saturated fat compared to the previous recipe.

This pack contains 40 sachets, each with the perfect amount for a delicious cup of coffee with a rich frothy top, for that unmistakable coffee shop-style taste and aroma experience.

- Coffee shop-style instant latte
- Instant sweetened frothy latte drink - just add hot water
- Crafted using 100% natural high quality coffee beans
- Made with fresh milk sourced from British dairy farmers
- Deliciously smooth and milky with a velvety frothy layer above the rich coffee
- One sachet makes a perfect cup of coffee
- Pack of 40 sachets
