Overview

Nescafe Gold Latte (1Kg) Instant Coffee Tin (Pack of 3)

Only quality coffee beans make their way into our NESCAFÉ GOLD Latte.

Our recipe is crafted with high quality, carefully roasted coffee beans and fresh milk sourced from British dairy farmers.

The result is a delightful coffee shop-style drink that can be prepared and enjoyed in moments.

- A blend of instant coffee, finely ground roasted coffee beans with skimmed milk powder and vegetable oil
- Ideal for your coffee break treat when you need that extra special something
- 1kg tin makes 60 mugs
- Serving size: One mug (16.5g + 200ml water, makes 240ml)
- Low fat
- No hydrogenated vegetable oil
- No artificial flavours
- Quick to prepare, just add hot water
- Made with 100% coffee beans
- Already blended with sugar
