Nescafe Azera Latte Barista Style Coffee Sachets (Pack of 50)

We all love barista style coffee.

The intense aroma.

The delicious velvety froth.

The roasted coffee taste.

Now you can enjoy all of that pleasure in the ease of an instant.

Genius.

A tip from our barista: Why not try adding a dash of milk for a more indulgent latte.

Azera Latte gives you the aroma of freshly brewed roast and ground coffee, topped off with lots of creamy milk and froth.
