Overview

MUGGI 4 MUG HOLDER BLUE

muggi is a unique and innovative tray that enables up to four mugs or glasses to be carried safely.

Muggi is designed and manufactured in the UK from lightweight but super tough plastic and is available in six colours: blue, dark grey, purple, red, bright green and black recycled material.

It will catch any unwanted spillages and it also features four non-slip rubber feet, finger and thumb holds to make it easy to carry for young or old hands.

It is the only product of its type currently available in the world.

- All new ergonomic design (2012)
- Stackable and easy to store
- Non-absorbent (stays clean and dry)
- Non-slip rubber feet (perfect when out sailing)
- Dishwasher safe
- Available in six colours: blue, dark grey, purple, red, bright green and black recycled material
