Overview

Nescafe Go Dispenser 5215748

Nescafé and Go Drinks Dispenser (Pack of 1) 5215748.

The Nescafe and Go system offers a wide choice of the nation's favourite hot drinks in one compact machine.

No plumbing is needed, just plug in the machine, fill it with water, choose your drinks and you're ready to go.

Each 12oz cup is filled with an individual serving of the drink specified on the cup.

Sealed with a foil tab for freshness, all you need to do is remove the tab and fill the cup with hot water.

With a potential 60p profit per cup, this is an easily manageable business opportunity for almost any vendor.

Nescafé and Go is a simple, easy to install drinks dispensing system.

Single use cups filled with individual servings of well-loved drinks.

Customers simply choose their cup, add hot water and stir.

No plumbing required - just fill the tank with water.

Great for service stations and reception areas.

Free starter kit with every machine purchased.

Starter kit includes 3 sleeves of product (White Coffee, Cappuccino and Aero Hot Chocolate), lids and sugar.
