Overview

Dualit 1.5L Cdless Kettle SSteel Blk

Dualit's cordless jug kettle offers an upright format kettle with a different pouring action to more traditional dome shaped kettles.

The hinged easy-fill lid has a large heatproof knob with finger guard to prevent burning.

A rapid-boil concealed element heats the water quickly and has its own boil-dry safety cut-out.

- Fast boiling
- Cup level indicators
- Easy, reliable pouring
- 1.5L Capacity
