Overview

Twinings English Breakfast String And Tag Tea bags (Pack of 100)

Golden and well rounded.

It's a tea with a lot of body and a light finish.

We get to visit tea gardens all over the world to find the best teas for our English Breakfast.

Full-bodied Assam's picked during the summer months go perfectly with the fresh taste of high quality African teas.

Our next stop is the beautiful Sri Lankan highlands, for tea leaves that add a real depth of flavour to the blend.

A worthwhile journey for a truly great cup of tea.

We only use high-grown Ceylon in our English Breakfast for the full depth of flavour.
