Overview

Twinings Earl Grey Envelope Tea Bags (1 x Pack of 50 Tea bags)

Infused with bright fruit flavours, this range is berry delicious and perfect for those moments when your usual brew won't hit the spot.

Drunk without milk, it's the refreshing boost your day needs when you feel like something different.

And best of all, they are all naturally caffeine free.

The story goes that Earl Grey, the Georgian prime minister, was given cases of this tea by a Chinese Mandarin.

He liked it so much he brought it home and asked Twinings to recreate it for him.

Light, fragrant and with a distinctive bergamot and lemon flavour, our Earl Grey still has all the taste of the original, and we like to think it's still the best.
