Overview

Dualit 4 Slot Lite Toaster High Gloss (Black)

The 4 slot Lite toaster combines Dualit's classic toaster styling with a contemporary high gloss finish.

Patented Perfect Toast Technology ensures the Lite Toaster produces consistently golden brown toast.

The Peek & Pop function allows you to check the bread while toasting without cancelling the toasting cycle giving greater browning control.

It incorporates a bagel and defrost function, extra-wide 36mm slots and automatic pop-up.

Calculates the temperature of your toaster and surroundings to derive the precise toasting time for your next slice of consistently golden brown toast.

Unique to Dualit, this feature allows you to check on your bread without stopping it toasting.

36mm slots accommodate thicker slices and terrific toasties with the Sandwich Cage.
