Overview

Vileda UltraSpeed Pro (25 Litre) Single Bucket Starter Kit (Includes System/Mop Frame/Mop Pad)

Whatever your cleaning requirements, UltraSpeed Pro will dramatically raise your standards in speed, performance, versatility and ergonomics.

- 25 litre bucket made from lightweight plastic for greater portability
- Flat headed mop requires minimal effort for effective cleaning
- Gearlever press wrings maximum moisture out of mop for high speed drying
- Durable polypropylene construction
- Includes a bucket, chassis, press frame and Microlite mop
- Features an ergonomic carry handle
