Overview

Deb Stokoderm (100ml) Sun Protection Cream (Pack of 12)

SPF 30 provides 30 times the skin's normal protection against the sun's UVB rays.

Conforms to European Recommendation for UVA protection.

Provides 35 times the skin's normal protection against UVC rays.

Withstands heavy perspiration or immersion in water.

Encourages regular use and does not affect dexterity with hand held tools.

Helps reduce potential for allergic reaction and skin irritation.

Ideal for people sensitive to fragrances.

- UVB 30 High performance
- UVA Protection
- UVC 35 Protection
- Water resistant formula
- Quickly and easily absorbed
- Perfume-free
