Overview

VFM Snöblad Snow Shovel (Red)

Red Snöblad Snow Shovel (Pack of 1) 387979.

With a red blade that is 495mm wide, the Snöblad Snow Shovel is ideal for clearing away large amounts of snow with ease.

The flat blade is made from high quality polypropylene, which is both lightweight and durable and will glide over most surfaces, even gravel.

Made from high grain pine, the handle is both strong easy on hands for extended use.

This shovel can also be used to clear leaves and excess rainwater.

Snow shovel for easy clearing.

Polypropylene blade and high grain pine handle.

Lightweight and durable design.

Blade dimensions: 496x55x205mm (WxDxH).

Handle length: 1500mm.

Will glide over most surfaces, even gravel.
