Overview

2Work DoseIT (1 Litre) C3 Washroom Cleaner Pack of 8

DoseIT C3 Washroom Cleaner 1 Litre (Pack of 8) 533 EON.

This DoseIT C3 Washroom Cleaner is an efficient and versatile cleaner for washrooms.

The acidic formula cleans, kills bacteria and removes limescale from toilets, sinks, showers, floors and more.

Because it's concentrated, you can dilute it for economical use when mopping floors, wiping fixtures or spraying down surfaces.

It's safe for use on a variety of surfaces including porcelain, stainless steel and ceramic tiles.

This pack contains eight 1 litre bottles..

.

General purpose cleaner for washrooms and toilets with citric acid.

Cleans toilets, urinals, sinks, baths, showers, tiles and floors.

Clean, kill bacteria and remove limescale in one operation.

Safe for porcelain, stainless steel and chrome, ceramics and tiles.

Not suitable for acid-sensitive surfaces like marble.

Concentrated formula fills 50 spray bottles or 25 buckets when diluted.

Ideal for mopping, wet wiping and spray cleaning.

Pack of 8 x 1 litre bottles.
