Overview

3M Economy Floor Pads 430mm White

These quality floor pads are suitable for use with floor cleaning machines, which operate between 150 and 1200rpm, to clean and polish ceramic, linoleum, marble, plastic, vinyl and wood.

Highly recommended for areas that require a superior polish, these floor pads consist of a specific fibre mix designed to provide a high level of shine to hard floors.

This pack of 5 white economy pads, each measuring 430mm in diameter, offers great value for money.

Floor pads for use with floor cleaning machines.

Special fibre mix effective in improving floor shine.

For machines that operate at 150-1200rpm.

For polishing: ceramic, linoleum, marble, plastic, vinyl and wood.
