Overview

3M Economy Floor Pads 380mm Green

3M Economy Floor Pads 380mm Green (Pack of 5) 2NDGN15.

These quality floor pads are suitable for use with floor scrubbing machines, which operate between 150 and 400rpm, to clean and polish a variety of hard surfaces.

Also recommended for use in partial stripping applications, these floor pads consist of medium aggressive fibres, which are effective at removing marks.

This pack of 5 green economy pads, each measuring 380mm in diameter, offers great value for money.

Floor pads for use with floor scrubbing machines.

Open web construction easily removes and traps soil.

Also recommended for partial stripping applications.

For machines that operate at 150-400rpm.

Medium aggressive fibres are effective at removing marks.

Colour: Green.

Diameter: 380mm.
