Overview

Diversey Suma (10 Litre) Drain GTS Plus

Suma Drain GTS Plus 10 Litre (Pack of 1) 7514130.

Highly concentrated and supplied ready to use, Suma Drain GTS is designed for the preventive maintenance of grease traps, drain line treatment, wet wells and sewage injection pits.

Containing superior enzymes, Suma Drain uses enzymes that degrade grease and fatty acids, as well as reducing the formation of odours.

Suma Drain is environmentally friendly and will not damage drain pipes or grease traps.

Highly concentrated formula.

Supplied ready to use.

Designed for grease traps, drain line treatment, wet wells and sewage injection pits.

Breaks down grease and fatty acids.

Helps to reduce odours.

Environmentally friendly compound.

Supplied in a 10 Litre tub.
