Overview

3M 2800 Comfort Line Overspectacles (Clear Lens)

Over-spectacles are designed to fit over most users' prescription spectacles with minimal interference.

They offer an excellent coverage and field of vision, combined with a high level of protection against impacts.

Adjustable temple lengths (four positions) for optimal comfort and fit.

Inclinable lens for easy adjustment and maximum comfort.

Soft low profile temples for comfort and minimum interaction with prescription spectacles.

Dark blue frame with clear lens colour.
