Overview

St John Ambulance Disposable Triangular Bandage (90 x 90 x 130cm) Non-Sterile

Triangle shaped bandage to use as a sling for the emergency treatment of wounds and fractures.

- Gives support to the elbow and forearm in the form of a sling
- For supporting or immobilising injured shoulders, arms, wrists and hands
- Ideal for keeping in a first aid kit
- Non-woven, non sterile
- Disposable
- Versatile, it can be used in many emergency situations such as tying legs or ankles together to immobilise, or to compress wounds to stop bleeding
